**AMENDMENT B**

Sir:

**a. Introductory Comments.**

This is a plenary amendment responsive to an "Official Action" dated February 1, 2005 allowing a period of three months for response without extension. Further accompanying this amendment is a petition and fee for a one month extension to June 1, 2005 to file this response.

- (a) Rejected claims 1, 13, 17, and 18 have been cancelled. Claims 2-8, 9-12, 14-16, and 19, which present and claim allowable subject matter over the art cited to date, have been re-written to overcome the rejections and 35 USC 112, 2d paragraph and are re-presented for reconsideration.
- (b) The remarks herein present evidence that the features recited in the claims are indeed shown in the drawings when Figures 1, 2, and 3 are viewed as a whole.
- (c) Entry of this amendment is hereby solicited on behalf of the applicant.
- (d) A one month extension petition to June 1, 2005 is submitted with the current small entity fee and a certificate of mailing.
